101 Block C, Mabopane, Pretoria, 0190

SUMMARY:

Motivated Information Technology graduate with a passion for software engineering seeking an entry-level position. Possesses strong technical skills and knowledge in software development methodologies, programming languages, and software engineering principles. Proven ability to collaborate effectively in team environments and adapt to new technologies quickly. Eager to contribute to innovative projects and continue professional growth in the field of software engineering.

TECHNICAL SKILLS

Front End| HTML, CSS, Javascript, TypeScript
Back End| Java, C++, C
Technologies| React.js, jQuery, Angular
Others| Git & Github, VSCode, Command line tools, IDE's, Packages managers

EXPERIENCE & PROJECTS

Front-End Software Engineer | Name of Application   **Feb 2024**
Weather App project
Developed a responsive weather application using JavaScript, HTML, and CSS. Integrated APIs to fetch real-time weather data and dynamically display it. Designed an intuitive user interface with location-based weather updates for enhanced usability. Ensured cross-browser compatibility and optimized performance for a seamless user experience.

Front-End Software Engineer | Name of Application   **Mar 2024**
To-Do List App
Created a dynamic To-Do List application using HTML, CSS, and JavaScript. Implemented features for adding, deleting, and marking tasks as complete. Designed an intuitive user interface for easy task management. Ensured responsiveness and cross-browser compatibility for seamless usage across devices.

Front-End Software Engineer | Name of Application   **Apr 2024 - Present**
Music Player project
Developed a stylish Music Player application using HTML, CSS, and JavaScript. Integrated audio playback functionality with features for play, pause, skip, and volume control. Designed an intuitive user interface with playlist management capabilities. Ensured cross-browser compatibility and responsive design for optimal user experience across devices.

EDUCATION & CERTIFICATIONS

NATIONAL DIPLOMA:
Information Technology (Communications Networks)
Tshwane University of Technology

NATIONAL SENIOR CERTIFICATE:
Klipgat secondary school

Fortinet Short Course
NSE 4 Network Security Professional

HOBBIES

Creating Personal Projects
